The City of Santa Fe Environmental Services Division (the Division) is looking for six
hundred interested customers for a green waste pilot program. The pilot program will
only take place if the Division can obtain six hundred (600) interested customers. The fee
for this program is forty-five (\$45.00) plus applicable Gross Receipt taxes.
The Division will provide green waste collection of leaves, tree and brush trimming and
plant matter. The customer will be provided one ninety gallon rolling cart which will
house the green waste within your property until service day. This cart will have to be
rolled out to the curb by seven pm the night before your service day but no later than
seven o-clock on collection day and rolled back within twenty-four hours of the bin being emptied.
The service will be every other week; the day of service will be announced when the program is scheduled to start.
I agree to accept the charge of forty-five dollars plus
applicable gross receipt tax to my account for one year green waste pilot program.
